Dear Mr. Wintrode:

On behalf of the Board of Directors of Youth In Need, thank you so much for your recent in-kind donation of a blanket, toothpaste and toothbrushes collected at your June 9th meeting. These items will be used to support our Street Outreach program in St. Louis City.

This year Youth In Need is proud to celebrate 35 years of service to the community. From a modest beginning of services to St. Charles area runaway and homeless youth, we have grown to an agency now serving over 10,000 children, teens and families annually in six area counties with a continuum of care including: homeless outreach; 24-hour crisis care; emergency, long-term and transitional group home care for runaway, and victimized youth; and extensive infant, child and family development services for income-eligible teen parents and families of young children. In addition, Youth In Need's Project Safe Place includes approximately 300 businesses and organizations offer their location as a Safe Place site. This program helps refer children and teens facing troubled times to needed services.

At anytime you are welcome to contact me directly at 636-757-9348 to discuss and explore ways for you to become involved in the lives of the kids and families of Youth In Need. Another great way to learn about all the current happenings at Youth In Need is to visit our website at www.youthinneed.org.

On behalf of our entire organization, I thank you for sharing our dream and hope for all kids and families in finding the importance of *believing in their power of potential*.

Sincerely,

Robert Muschany
